3. GSL report. The last leaders meeting was held on 13th March. The leaders situation is now critical. The Monday pack is down to about 9 Cubs, Dennis Drake and Mike Turner will definately not be carrying on. Mr. North and Mr. Hatch will help when able to ,but this will not be on a regular basis. Eric Woods is still taking Beavers into the Wednesday Cub pack but is not keen to take the remaining Monday Cubs as well, further discussion will take place at the next leaders meeting on 8th June.. Scouts numbers are up to 28 with another 8 possibly to come, Venture Scouts number about 20.

JAN 14 1992

St Georges Day parade had a reasonable turn out, although there was a lack of Venture Scouts due to Sam Cottinghams son's luncheon party. Mike Turner GSL announced his resignation as GSL but will carry on until September in the hope that someone will come forward to take over. Mike will still remain a Venture Scout leader but due to other commiments feels he is unable to spend the time ,he feels a GSL should. Thanks were conveyed to Mike for all that he has done. Applications for GSL are invited with preference for someone local, failing that we will go to the District. it was decided to wait until the AGM. Medals will be required for our succesfull football team, Alan Ring would be approached as last year. Fund Raising would organise food and drink as usual for the AGM.

After much discussion about our finances, it was decided Subs would have to be increased in the Autumn, with less boys attending and bills increasing. Minister insurance are still the cheapest company and probably the only company who would insure the building as it is wood.

It was pointed out that the efforts of Fund Raising were more important than ever. Fund raising are to cough up another £700. The need to give advance warning for drawing out funds from Fund raisings 28 day account was yet again discussed. Suggestions amde to approach broker for a few days grace to allow time to get money out of the account.

Chris Abington will be resigning as treasurer at the AGM, Julie Johnson to be asked if she will take on the job due to her vast experience with money.
