6 ANY OTHER BUSINESS

It was agreed that Dave Davidson, a Cub Scout Leader, could borrow the van on 1-2-3 June, however, Mike Flack would check the insurance position for useage by another group. It was suggested that if our insurance did not cover another group, then perhaps they could take out their own policy on the days they wish to use it.

Agreed that Cuprinol could be purchased.

Mike Turner, outlined the Venture Units plan to take part in the 'Peak Assault' on 9-10-11 March. Entrance fees alone amount to £175 a part of which has already been paid as a deposit from the VUs own funds. However, it is important that the group are properly equipped when they start and although we are gradually accumulating 'bits and bobs' further equipment is needed and to this end we are anticipating holding a 'Marks and Spencer' seconds sale in an effort to raise much needed funds for the purchase of necessary 'gear'. (Jean Gould on behalf of the FRC had no objection to this being a separate fund raising event with any monies raised going entirely to the Venture Units Peak Assault). It was agreed that Mike Turner could purchase a Meths Stove complete with billies and tea pot at an approximate cost of £24. Lis Cummins, on behalf of the Group would make an application to the Parish Council for the purchase of equipment. (Mike Turner to furnish Lis with an itemised list).
