September 1981 at 8 pm

Mrs Barratt, Mr Carruthers, Mr Hulley, Mr Hurley, Mr Rees.

1 APOLOGIES FOR ABSENCE: Mr Evans & Mrs Allen

2 MINUTES OF LAST MEETING: Agreed

3 MATTERS ARISING

.1 Hut Maintenance

Cedar cladding repair may be started tomorrow (Mike Flack).

.2 Van

A small problem with the insurance as at the present both vans are under the one insurance. The old van was kept under insurance in case of fire or theft whilst parked in front of the hut, however, it was hoped that the old van would be picked up at the end of the week when the insurance would then be transferred entirely to the new van.

Should Park Street School wish to use the van on two consecutive days it was agreed that it could be parked overnight on their premises but at all other times it must be returned to Birchwood HQ after each single hiring.

Mike Cox, Mike Flack and Frank Hulley were to hold a separate meeting to lay down a format for use of the van by 'outside' groups.

4 TREASURER'S REPORT

No.1 A/C £22.40p, No.2 A/C £7.96p, Current A/C £34.33p.

6 ANY OTHER BUSINESS

.1 Insurance on the hut - we are covered for property owners liability (M Flack).

.2 Scouts Public Service - Nigel Carruthers had managed to make contact with Tenterden House in Lye Lane, which is an annexe of Hill End Hospital for mentally handicapped adults. They are keen to have people in the community involved. The whole house is self-supporting and they do most of the odd-jobs themselves, however, Nigel would see the Matron on her return from holiday
