

1ST PARK STREET SCOUT GROUP

Minutes of Executive Meeting

held on

24th September 1998

Present: Keith, Martyn, Doriel, June, Clive, Colin, Michelle, Mike, John, Pauline

Apologies: Dennis Carole

Matters Arising

Martyn has paid the money to the Village Hall. All the grills on the doors and windows have been paid for with the grant from SSPC. A Key is to be left near the back door with a large notice stating it must not be removed. Most of the work has been completed apart from the painting and the marine ply to be provided in the back store area. No dates for completion yet. Regarding the interior decoration the PC have expressed a wish to be kept up to date regarding this. The leaders had a recent meeting and all decided not to put in any time to help with this as they already give generously of their time. They felt we have sufficient money left to pay for this to be done professionally. Martyn will try to organise the parents to come and paint the inside. Doriel will obtain the list of group members from Richard so that they can be contacted. It was suggested that professionals do the outside and the parents do the inside. Keith will prepare an up to date estimate of costs of decorating the outside of the hut.
