

Minutes of a meeting of the Insurance Sub-Committee of the 1st Park Street Scouts Executive Committee held on 14 October 1993 at "The Jays Nest".

Present: Mrs J Johnson
Mr C Watson
Mr K Barrow
Mr R Johnson
Mr M W Dadswell

APLOGIES : MR. D. DRAKE
MR. C. BAILEY

1. Julie Johnson has received a quotation from the Brokers advertising in "Scouter"! This was more expensive
2. Keith Barrow's Broker, like many others, was not interested.
3. Any alarms had to be NACOS approved. 15% Discount for dial back, 5% for Audibal alarm. Scout association transferred call to their consultant. This turned out to be an alarm firm.
4. "Weldmesh" 2" x 2" with staples would cost £60/£70 for all windows.
5. Steel re-enforcement for doors 100 mm wide x 3 mm thick would cost £10 per 2 m length. Steel plate for the back door and two double doors would cost about £60 in total.
6. Panic bolts would cost £59.50 single and £71.00 double plus VAT.
7. Heavy duty bolts would cost £6.00 each and a chubb mortise lock £15.00. Both plus VAT.
8. We have not yet contacted the local police.
9. The cost of re-roofing the Portakabin was discussed. It was agreed to use 7'-0" x 2'-0" corrugated sheet at £3.50 per sheet plus VAT and 4" x 2" battens at 85p per metre (plus VAT).
10. It was felt that we could probably obtain a replacement metal storage container for £350.
11. Racking for existing cabin about £30/£40.
12. A quick calculation seemed to bring the total cost to £400. It was decided that we have no choice but to go ahead.
13. At this point in the meeting, the GSL suggested that we ask the Insurance Company to inspect before we proceed. The idea being, that we would then discuss the above proposals with them. We would also try for monthly payments.
14. An additional item to be purchased was a substantial pad lock for the Portakabin, which would have two keys (one for Ventures the other for Scouts). The existing stores would be used for "Practise Kit".

The next meeting was fixed for Thursday 21 October 1993 at 8.30pm at the Jays Nest.

Distribution: All sub committee members
GSL
Chairman of Executive
