Matters Arising

Richard has resigned as GSL.

We have had a grant of £8622 from St Stephen PC for renovation of the hut. This includes grills on the door ~~but~~^{& the} security grills on the windows. Martyn is liaising with the contractors to have the work done over the summer holidays. BJ Builders will be supply grills for the doors and they are trying to do the work during August. We have heard from the Council that the lease will be renewed subject to contract. The Council have asked we undertake to do the external and interior decorating which we will do and they will inspect this once it is done. The Council suggested a increase in fees to go into a building fund to enable us to keep the decoration up to standard. Martyn agreed to continue liaising with the contractors. We will send a letter to the parents to let them know we will need some help with decorating.

Play School: £45 rent per week which they have paid and this will be increased to £65 per week from next term. The group has asked for reduction in casual use fees and it was decided that we would offer them a reduced rate. Mike Flack will negotiate this reduced rate.

Sister organisation like the Rainbows, Brownies etc will be charged the same rate as the play group.

Martyn had written to the Village Hall regarding the condition of the Hall for the May Ball. The Village Hall committee returned the £20 and have requested the full amount of £60. Martyn was reluctant to send the full amount but will do so and express our displeasure and state that we will be using another venue in future.
