

1st Park Street Scout Group
Annual General Meeting 2006
Held at Park Street Scout Hut
8.00pm 21st June

Attendees

June and Mike, Michelle, John and Karen, Martyn and Kate Taylor (parent).

Apologies

Cheryl

Absent

Doriel and Colin, Anne Barnes and Rodger Sands.

The meeting started with Mike introducing himself as the chairman, also welcoming everyone to the meeting.

The last year's minutes were accepted and were proposed by Karen and seconded by Martyn.

Matters arising from the minutes: The Saplings play group have offered to paint the hut and the windows frames.

Leaders presentations.

Beaver Report by June Bailey

June firstly thanked Michelle and Cheryl for all the help and support over the last year, she went on to say that the Beaver colony had steady numbers over the last year and they had been doing a varied programme of badge work. These were the Explorer and the Outdoor badges. For the Explorer badge they had learnt all about Space and finished off with a Space theme party at Christmas, for the Outdoor badge they had been doing road safety and decorating plant pots and planting them up with flowers.

Cub Report by Karen Schofield

Karen stated that they had 13 boys and one girl in the pack. Three would be moving up to Scouts between now and Christmas. They had been bowling, doing Chippy hikes and Archery and shooting. They had a Christmas themed weekend at Well end, planning a Summer camp at half term and a trip to Brownsea Island. Also planning to take part in the County night hike competition in September. A Cub party is being planned for this year and they were looking in the history of the Cub Scouting movement within Park Street.

Scout Report by John Drake

John said that they had tried to do a varied programme despite the lack of numbers, they had been bowling and done some fire lighting also had been doing fitness training and making Hot air balloons out of paper, glue and balloons. Five of the boys went to PAW where they did 1st Aid and also passed their Outdoor Challenge. 2007 is going to be a big year for the Scout Movement as a whole as they are celebrating 100 yrs of Scouting and the Scouts were looking forward to taking part in different activities throughout the year to help celebrate this.

G.S.L.report by Karen

Karen thanked all the leaders, helpers and other members of the Executive Committee for all their help and support over the last year. She attend a District meeting last September where Anne Barnes introduced herself and gave a talk on all the activities planned with Scouting for 2007. She went on to say that all permanent helpers needed a C.R.B. check, so forms will be issued to whoever needed them.

Treasurer Report by Michelle Bailey

Michelle gave a summary of the overall financial report on the group. She went on to say that we needed the income from the play group to help pay with all our outgoings, without them we would be hard pressed to cover all the bills that the group incurred during the year without either taking from the Fund Raising account or doing some fund raising within the group to help raise the extra income. The funds within the group are distributed across three accounts.

Election of Officers.

All Committee members agreed to stand again in their current positions.

There was no District visitor this year.

A.O.B.

Karen said that Shaun is doing some fund raising to go to the Scout Jamboree next year, he is willing to do any odd jobs.

Mike thanked Kate for coming to the meeting, and went on to thank everyone for all their hard work and commitment to the group throughout the last year. He then invited everyone to stay on and enjoy a glass of wine and some food.

Meeting closed at 9.05 pm.
