5 FUND RAISING COMMITTEE

Mike Flack/Anna Cox stated that a small gift and letter of thanks had gone to Martin following his move from the area.

'Summer Market' Town Hall 4/6. Geraldine Vipas outlined the present position re this market; not all the questionnaires sent out to parents had been returned and it was important that they be returned by the end of this week. A Chart for the collection of monies during the market was shown to the meeting as was a general outline plan of the stalls. A tombola drum was needed and Geraldine was going to approach Mr Franklin/How Wood School. Stan was going to purchase plastic cups for the refreshments, which Sheila Mancey was going to take overall responsibility for.

STAN.

It was agreed that the hut would be available to the FRC for a couple of evenings prior to the 4 June and Ann would be writing to Mrs Virji and Mrs Evans advising them that we were unable to let them have the hut on the 2 June, also as this Fair was 'one big effort' to raise much needed funds for the upkeep of the hut would they (the guides & brownies) be able to help either practically or by a donation? Mike Flack was going to approach John Hurley re possibly organising the tombola.
