1 MATTERS ARISING

Mr Liffen wished to have the Scout Football amended to read "Mr Liffen who had assumed control of the Scout Football team, had selected a team of 11-14 year old Scouts" and not "was assuming control....., was going to select a team, etc."

2 REPORTS OF THE CUB/SCOUT SECTIONS

Wood Pack now had 26 cubs and Birch Pack 24. Both Packs were now using the new arrow scheme. This year Mike Carruthers and Steve Roome had gained gold arrows before going on to Scouts. The two Packs had taken part in the various competitions and come second in the athletics. Various outings had been arranged and a very enjoyable weekend camping had been held at Leas Wood. Mrs Quaterman (Rikki) and parents were thanked for their help during the past year. Future Events - 16/17 September Birch Pack were camping at Chalfont St Giles and Wood Pack at Leas Wood. The Scouts would be going on a hike to Scotland. 7/9 July Scout Boating £2.50 for the weekend.

Mr Wilmore reported that the Cub Football team had played 12 league matches - drew 1 and lost 11 and, consequently had been relegated to the 2nd division. However, the team did win 2 out of the 3 cup matches but were defeated in the quarter finals by the beaten finalists. The funds were in a healthy state and consequently it was suggested that some of the money be spent on replacing some of the boys football shirts. Mr Wilmore thanked the parents, in particular Mr Roome, for their past help in providing transport.

3 APPROVAL OF ACCOUNTS TO 31 MARCH 1978

Mrs Bothwell stressed that with a £47 electrical bill and £47 for a new tent, it was important to organise future events to raise sufficient funds as rent received from hirers of the Hut was not adequate.

Accounts approved and seconded by Mrs Cox and Mrs Abington.
