MATTERS ARISING

.1 Hut Maintenance

Mike Flack quoted a rough estimate of £125 to £150 for replacing cedar panels.

TREASURER'S REPORT

No.1 A/C £198.09p, No.2 A/C £114.17p, Current A/C £386.26p, Treasurer's A/C £14.41p.
Van A/C £5.-

FUND RAISING COMMITTEE

.1 Jumble Sale would now take place on 10 October and not 3 October.

.2 Lamb Roast going ahead okay.

No further report could be given as Frank Hulley, who had hoped to attend the meeting, was unable to attend.

VAN MAINTENANCE

Keeping the van in running order was a constant problem. Part of its trouble was due to lack of use, brought on by the 20p per mile hiring charge. It was hoped to purchase a replacement vehicle within the very near future. A new letting system needs to be set up in respect of hire charges (if any) and separate account should be used to cover solely van transactions. It was verbally agreed that the van could be used by Park Street School but actual hiring details not at this stage confirmed.

ANY OTHER BUSINESS

.1 Cub Football - no report owing to absence of David Ward.

Mike Cox has written to the Council in an endeavour to obtain a grant for concreting.

Scouts Public Service - Nigel Carruthers has this in hand but was unable to progress any further as his 'contact' was away on holiday.

Gerrards Cross Camp this coming weekend - problem with transport as van not on road. A number of alternatives were discussed.

Group Subscription would be increased in September to: Scouts £3.50p, Cubs £2.50p (£1.50p of this goes to group funds)

Insurance - the question was raised as to whether the group was covered for personal injury to any person within the hut. We are, as property owners, covered for third party liability.

Scout sponsored cycle ride - Stan Birch had spoken to PC Fanshawe and was informed that the Police would not sanction any ride on a public highway. Mr Evans offered the use of the school grounds providing it was not a wet day.

8 DATE OF NEXT MEETING

Monday 7 September 1981 - 8pm - Scout Hut.

Meeting closed at 9.55 pm.
