The Cubs had now got a new uniform and a new badge programme to follow. At the moment they were doing a lot of actives outside which included an assault course.

Mike thanked Alan.

John Drake.

Still only got 6 boys but had 4 coming up from Cubs. They also had a new badge programme to follow. They had done several creative things including making boats and aeroplanes. They had made a meal on the top of a gas burner and also a pancake on top of a tin lid all of which the boys had enjoyed.

June firstly thanked Michelle and Cheryl for all their help and support that they had given her though out the last year and also thanked all the parents as well. The Beaver unit was very strong, as the two packs had now been joined. We too had started our new badge programme and the boys had also new uniforms to wear. The boys had done their Creative badge in which involved them creating and making characters from different nursery rhymes and then they acted them out in front of the parents. We also had a very enjoyable day out at Phasel Woods with the Cubs.

A.G.M. 2004

G.S.L. Report.

Karen.

Karen firstly thanked all the leaders, committee, and everyone else for all their hard work and continue commitment that they had given throughout the year to the Scout Group. She went on to thank Colin for all his help and commitment that he had given to the group as G.S.L. She went on to say that the group was doing well and that the Beavers and Cubs were continuing to thrive. Scout numbers were on the up and John has continued to have a varied programme despite his low number. Her hopes for the coming year are that the group will continue to go from strength to strength and the new programme will get easier to understand.

Treasurers Report.

Michelle.

We have re addressed the subs because of the increase from County and also the Hut insurance had increased. The Scout hut had been lent out to various groups including play school and the council for voting. Some parents had also hired it for their children's parties. These have all helped to add an extra income for the group. She had produced a annual report which were handed out to those present which gave a brief out line of the units within the group and also included a finical report of the overall Scout unit.

Election of Officers.

Everyone agreed to stay in the same post again and Cheryl would stand as a parent representative on the Executive Committee.

District visitor.

Melvin Teare had been invited but he did not turn up.

A.O.B.

Mike Turner then went on to personally thank all the leaders. (Andrew Glindon seconded this on behalf of the parents.) He then went on to thank all those who had turn up and attend the A.G.M.
