Matters Arising

1. Stan Birch Trophy.

*These trophies
I relay how
word will be run*

Colin and Scouts still have to decide what the trophy is to be used for. They will hopefully have a suggestion by the next meeting.

2. GSL Report

Richard introduced John Horgan to the committee as the new football coach for the Cubs. A vote of thanks is to be given to Alan Ring for his past help. The Cubs will still be able to train on Saturdays at Park Street School. Could any Leader help trace some missing football kit? If not found perhaps new kit could be obtained via Richard Mettor.

The District Recruitment campaign was cancelled due to lack of support. A later date will be fixed.

The celebration at Frogmore Church was a great success, a good display was produced from the Scouts about Park Street Group. Thanks go to Steve Rees and Ann Barrow for doing this for the group.

3. Section Leaders Report

There are still no tables for the Beavers.

Help is desperately needed on Wednesday night pack with Eric. Mike to ask the Ventures for help and Colin to ask older Scouts if they would help. The best solution would be for someone permanent to be appointed.
